

IOANA MARGINEANU

MD/PhD

PROFESSIONAL PROFILE

I am a dynamic, curious, people-oriented person. I have been involved in organisational activities with multicultural interdisciplinary teams throughout my education and career. I am passionate about methods to improve existing systems and to ensure knowledge transfer at all levels.

ORGANISATIONAL EXPERIENCE

Office Manager, Graduate School of the Faculty of Spatial Sciences

Mar 2023 - Jan 2024 | University of Groningen

Offering support to PhD candidates and supervisors in order to ensure an efficient and pleasant research experience. Contributed to streamlining information transfer between the GS and PhDs and between the GS and stakeholders.

Project Manager, "Pronkjewail" Project, Marie Skłodowska-Curie, Horizon 2020

Jun 2021 - Jan 2022 | University of Groningen

Project manager position within the consortium focused on antimicrobial resistance established through a Horizon 2020 grant.

Chair, Graduate School of Medical Sciences PhD Council

Jan 2019 - Apr 2022 | University of Groningen

Secretary, Union TB & Migration Group

Jan 2018 - Present | IUATLD

Organised and ensured activities initiated by this international group are implemented smoothly, including conference symposia, workshops, and policy paper development.

Education Chief, Groningen Organisation for PhD Education and Recreation

Oct 2017 - Oct 2018 | University of Groningen

Chief medical intern, Internal Medicine

Jan 2013 - Sep 2019 | Medical University of Iasi, Romania

Various positions, International Medical Students Association, Iasi/Romania Chapters

November 2006 - Oct 2010 | Iasi | Romania

Consultant, Medical Events Organising Company

Jan 2004 - Present

Worked as a part-time employee in the family business of organising medical events. I consult and am in the organising team for selected events, such as the Symposium for Biology Students in Europe 2020, organised in Groningen.
